John Squires

Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office

United States Patent and Trademark Office

P.O. Box 1450

Alexandria, VA 22313

Subject: Congratulations

Dear Director Squires,

The National Association of Patent Practitioners (NAPP) writes to express our congratulations to you on your appointment as Director of the United States Patent and Trademark Office (USPTO). NAPP and its members look forward to your leadership at the USPTO.

Founded in 1996, NAPP is a nonprofit trade association composed of hundreds of patent practitioners throughout the United States and worldwide. Most of our members are patent agents and patent attorneys, and many are solo practitioners or practice in small firms. NAPP's primary purpose is to represent member and stakeholder interests by fostering professionalism in the patent practitioner community, enhancing the day-to-day practice of practitioners, and aiding patent agents and patent attorneys in staying current in matters relating to practice before the USPTO and foreign jurisdictions.

NAPP regularly advocates for a strong patent system before the USPTO, Congress, and the Courts. As daily users of the USPTO systems and procedures, NAPP frequently works with USPTO management to ensure efficient and superior patent practice.

NAPP offers its support and looks forward to working with you and your office. Representatives from the NAPP Board of Directors would be pleased to attend an in-person stakeholder meeting with you to share NAPP's perspective on critical issues impacting patent practitioners. NAPP also formally invites you to attend NAPP's Annual Meeting and Conference in July of 2026 in Seattle, WA.

Please contact us at either 919-230-9635 or President@NAPP.org if there is any additional information we can provide or if you have any questions for us. We appreciate your attention to this letter and our work representing the interests of patent practitioners.

Sincerely,
